in Rambharat Patel 🌐 patelrambharat

I have 1.7 Years of experience encompassing a wide range of skill set, roles and responsibilities. Working as a Software Engineer, handling and debugging client queries. Interested in problem-solving that requires critical and innovative thinking.

EXPERIENCE

Accenture Solutions PVT. LTD.
Application Development Associate

- Jan 2022 - Present
- Develop and Test Robotics Process Automation objects using BluePrism tools, write reports, and run development tests.

PROJECTS

Minor Projects

Text Editor

Github: [Text Editor Project](#)

- Text Editor is a Word-Processing Tool that allows users to edit the doc with their details and save the final file.
- Used Java Swing library.

Snake Game

Github: [Snake Game Project](#)

- An interactive project using Java Swing, featuring JPanel, JButton, and others to achieve a seamless user interface.
- Inspired by the classic Nokia version of the snake game.

Full Stack Projects

Airline Reservation System

Github: [Airline Reservation System](#)

- Airline Reservation System is a Java application that allows passengers to effortlessly search and book flights, ensuring a seamless booking experience.
- Implemented a secure and efficient SQL database to effectively store, manage, and retrieve crucial data such as flight information, customer details, and reservations.
- Used Swing library for the frontend and MySQL for the backend.

Frontend Projects

OPEN BOARD / WHITE BOARD

Github: [OPEN BOARD / WHITE BOARD](#)

- Created a web app using HTML, CSS, JavaScript, and local storage of the browser for storing data, where users can create or delete tickets and set their priority. These tickets will be shown according to their priority.

TackyTrucks

Github: [TackyTrucks](#)

- The TackyTrucks project showcases the creative utilization of HTML and CSS to develop an engaging and visually appealing website.
- The website provides a seamless way for visitors to get in touch with TackyTrucks through a contact form.

EDUCATION

B.Tech. in Electronics and
Communication Engineering
Madan Mohan Malviya University of
Technology

Gorakhpur - 273010 📍 Aug 2021

CPI: 8.31/10

Polytechnic in Computer Science
and Engineering

Govt. Polytechnic Madhogarh, Jalaun

UP - 285126 📍 Oct 2017

Percentage: 77.20%

SKILLS

Programming Languages

- Java
- C++

Frontend

- HTML, CSS
- Java Swing

Backend

- MySQL

Database

- MySQL

Other Tools

- Github
- VS Code
- IntelliJ Idea Community
- NetBeans
